

IN THE CLAIMS:

On page 8 at line 2, please delete "CLAIMS:" and substitute therefor

--What is Claimed is:--

Please amend the claims as follows:

1. *(original)* A lighting system comprising:
 - a carrier for a primary source of electricity, including a plurality of primary coils;
 - a plurality of sealed lighting modules, each including
 - at least one secondary coil, each for electro-magnetically linking with one of the primary coils;
 - at least one light source;
 - at least one back-up battery;
 - charging circuitry for the battery; and
 - change-over circuitry to change to battery power in the event of failure of the primary electricity source.
2. *(original)* A lighting system as claimed in claim 1, wherein each lighting module further includes rectification means.
3. *(currently amended)* A lighting system as claimed in claim 1, ~~or claim 2~~, wherein the light source is at least one LED.
4. *(currently amended)* A lighting system as claimed in claim 1, ~~claim 2 or claim 3~~, wherein the light sources form shapes.
5. *(original)* A lighting system as claimed in claim 4 wherein the light source form shapes and are made of points of light.
6. *(currently amended)* A lighting system as claimed in claim 4, ~~or claim 4~~, wherein the shapes are directional arrows.

7. *(currently amended)* A lighting system as claimed in claim 4, ~~or claim 5~~, wherein the shapes are pictograms.
8. *(currently amended)* A lighting system as claimed in claim 4, ~~or claim 5~~, wherein the shapes are words.
9. *(cancelled)*
10. *(currently amended)* A sealed lighting module for use with a carrier for a primary source of electricity, and having a plurality of primary coils, the lighting module comprising;
- ~~[[a]]~~ at least one secondary coil for electromagnetic induction form a primary coil;
 - at least one light source;
 - at least one back-up battery;
 - charging circuitry for the battery; and
 - change-over circuitry to change to battery power in the event of failure of the primary electricity source.
11. *(currently amended)* A sealed lighting unit as claimed ~~claims~~ in claim 10, wherein each lighting module further includes rectification means.
12. *(currently amended)* A sealed lighting unit as claimed in claim 10, ~~or claim 11~~, wherein the light source is at least one LED.
13. *(currently amended)* A sealed lighting unit as claimed in claim 10, ~~any one of claims 10 to 12~~, wherein the light sources form shapes.
14. (original) A sealed lighting unit as claimed in claim 13, wherein the light sources form shapes and are made of points of light.
15. *(currently amended)* A sealed lighting unit as claimed in claim 13, ~~or claim 14~~, wherein the shapes are directional arrows.
16. *(currently amended)* A sealed lighting unit as claimed in claim 13, ~~or claim 14~~, wherein the shapes are words.

17. *(currently amended)* A sealed lighting unit as claimed in claim 13, ~~or claim 14~~, wherein the shapes are words.

18. *(cancelled)*
